I am an Assistant Professor at the [Vocational School of Social Sciences, Marmara University](#). After January 2023, however, I will research criminology, big data, machine learning, natural language processing (NLP), and spatial-temporal predictions as a Postdoctoral Researcher at the [Jill Dando Institute of Security and Crime Science, University College London](#). Most of my interests are in data science, big data, AI, information systems, criminology, geospatial and football. My overall research goal is to be able to solve challenging real-world problems by using machine learning, deep learning, data science, and other types of analytics and visualization tools such as Python, R, and SQL.

## EDUCATION

PostDoc in Jill Dando Institute of Security and Crime Science, University College London (UCL)	(expected) 01 2024
PhD in Applied Informatics (Geographical Information Technologies Program), Istanbul Technical University	07 2021
MSc in Information Systems (Management Information Systems Program), Sakarya University	07 2013
